

Dear Bear Creek Homeowner,

The HOA is striving to continue the ongoing beautification of the community. It is the obligation of the Declarant to ensure that each homeowner within the Bear Creek Community is adhering to the DCC'R's for Bear Creek Home Owners Association, Inc. If your fence is in need of repair, we are requesting a submittal for a set compliance date in which you will have your fence repairs completed.

Please fill out your property information below and send in the bottom half either by mail or email. Make sure to address the Attention to Compliance Department or emailed to Gino Cantu, Compliance Manager at gino@essexhoa.com.

Should you have any questions, or need immediate attention. Contact Josh Moore, Community Assistant Manager at (972) 428-2030 or call and leave a message at the Compliance Hot Line at (972) 534-2684.
